2) P.U.D. is for perusal. The Div.Commr., Belgaum has recommended the views of the D.C., Dharwar and has stated that as the lessees are cultivating the lands for the last 16-17 years on Ekasali basis, it is not desirable to oust them. He has also stated that the cultivation of the lands has been sanctioned by the Forest Deptt., for all these years and these lessees are members of the Backward Classes and so, eviction now would not only deprive them of their investment on the land but also make them unemployed and homeless after 16 years of labour on the lands. Hence, he recommends to disforest an area of 150-32-0 of land out of S.Nos. 90, 91, 94, 113, 114, 116, 117 and 412 of Medleri village, in Ranebennur Tq.

CCF Recommends for the disforestment of the area in Qn. the reasons that the lands have been leased out by the Revenue authorities as far back as 1942-49 and the lessees have spent money to bring it into a Cultivable land.

In the circumstances, we agree to the recommendation of the CCF, and R.D. may see for any remarks.

No. FORSR-687.

Letter.
To

The Divisional Commissioner,
Belgaum.

In submitting herewith the case papers ending with Assistant Commissioner Haveri's No.LGLSR-3542 dated 8-8-1961, I have to state as under.

Forest lands R.S.Nos. 90,91,94,113,114,116,117, and 412 of Medleri in Ranebennur Taluka have been leased out for cultivation on Eksali basis since 1942-43 and they are still under cultivation by the respective lesses. The total area is 150 acres 32 gunthas. The lessees belong to backward class community.

The D.F.O. when consulted, at the time of permanent disposal of these lands, states that the said lands may be withdrawn from the cultivation and restored to the Forest Department for planting trees under afforestation scheme in the third five year plan etc.

The Assistant Commissioner, Haveri after detailed enquiry in the matter reports that grazing area of the village is quite sound and if the area of 150 acres 32 gunthas out of the said forest area, which is under cultivation for the last 17-18 years is disforested for being granted to the cultivators on permanent basis, the forest conservancy will not be affected in any way and there still remains a forest area of 3380 acres 24 gunthas.

The detailed report of the Assistant Commissione Haveri may kindly be perused. I entirely agree with the Assistant Commissioner and request that Government may please be moved to disforest the said S.Nos. measuring 150 acres 32 gunthas out of the total forest area for being granted to the existing lesses on permanent basis.

Forwarded with to the Secretary to Government, Agriculture & Forest Department, Bangalore.

2. As the lessees are cultivating the lands for the last 16-17 years on Eksali basis, it is not desirable to oust them. The cultivation of the lands has been

P.T.O.

sanctioned by the Forest Department for all these years. These lessees are members of the Backward classes. Eviction now would not only deprive them of their investment on the land but also make them unemployed and homeless after 16 years of labour on the lands. The Assistant Commissioner, Haveri Dn. also reports that no Government waste lands are availble for re-settling these lessees. The loss to the Forest department will be small as these are low lying areas. Government may therefore, kindly be moved to disforest an area of 150 acres and 32 gunthas of Land, out of S.Nos. 90,91,94,113,114,116,117 and 412 of Medleri village in Ranebennur Taluka and orders of Government communicated early.

3. The accompanying papers (page 1-167) may kindly be forwarded to the Deputy Commissioner, Dharwar direct when done with.

Ref: Your No.B3-383-GFL-2071/61-62 of 22-12-1961.

Since the Revenue Department granted the forest area for cultivation on Eksali basis between 1942 and 1949, the grantees developed the area by spending money and labour. So it is but reasonable to grant it permantly to the grantees. While ordering the release the Revenue Department, may be apprised by the Government that it is incorrect on the part of the Revenue Department to grant of forest lands for cultivation without the prior consent of the Forest Department and that it should not be repeated.
